LOCAL FINANCING

City of Gardiner – Office of Planning and Development Department

The Office of Planning and Development is located at the Gardiner City Hall, and is available to current and prospective Gardiner businesses as a resource to provide information and assist with facilitating a successful transition to operating a successful business. The Director of Planning and Development will work with you to find the answers to any business or development question.

Contact: **City of Gardiner**
 Planning and Development Office
 207-582-6888
 www.gardinermaine.com

Revolving Loan Funds (RLF)

The Gardiner Revolving Loan Fund is administered by the City's Economic Development Committee and provides financing assistance for businesses locating or expanding in Gardiner. Loans have a fixed rate and are most used as a financing resource for gap / secondary financing.

Contact: **Planning & Development Director**
 City of Gardiner
 (207) 582-6888
 econdev@gardinermaine.com

Tax Increment Financing and Credit Enhancement Agreement (TIF / CEA)

A state incentive program designed to provide municipalities with a local tool to finance the cost of private development. The City of Gardiner has established TIF's in its Libby Hill Business Park, downtown and other locations within the community. Gardiner uses all or a portion of the new property taxes that result from an investment project within a designated district to assist in that project's financing. The municipality has the option of issuing bonds (which are retired using the tax increment), or disbursing the tax increment directly to the investing business to cover project costs. Many of Gardiner's TIF districts have been designated for a period of up to 30 years.

Contact: **Planning & Development Director**
 City of Gardiner
 (207) 582-6888
 econdev@gardinermaine.com

Discounted Rate for New Commercial Sewer Connection

A rate discount program provided by Gardiner's Waste Water Treatment Department and the City of Gardiner for new commercial sewer connections in downtown and other commercial areas. Application required for approval will provide a percentage discount, based on the number of new equivalent users, up to a five year period.

Contact: **Chuck Applebee, Superintendent**
 Wastewater Treatment Plant
 (207) 582-1351
 capplebee@gardinermaine.com

REGIONAL, STATE & FEDERAL FINANCING

Community Development Block Grant (CDBG) Program

A competitive state grant program that provides gap funding to assist businesses in the creation or retention of jobs. Funds can be used for capital expenditures as well as non-capital and operating expenses.

The City of Gardiner is eligible apply for up to \$200,000 in grant funds on behalf of a specific business. (\$300,000 if public infrastructure in support of an identified business.) The business must create one job for every \$30,000 in grant funds; At least 51 percent of the new or retained jobs must go to low-to-moderate income individuals.

Contact: **Department of Economic and Community Development**
 207-624-7484
 www.econdevmaine.com

Commercial, Small Business & Veterans' Small Business Loan Insurance Programs

FAME's Loan Insurance Program reduces risk to a lending institution to allow it to assist a company in meeting its capital needs. FAME's On Line Answer (OLA) application process provides lenders with immediate responses to Loan Insurance requests within certain parameters. FAME may insure up to 90% of a loan on a pro-rata basis (up to 60% pro-rata through the On Line process) or 100% of 25% of a loan on a leveraged basis. For eligible veterans FAME may insure 100% of a loan to a veteran; for an oil storage facility projects, and waste oil disposal site clean-up projects.

Contact: **Finance Authority of Maine**
 207-623-3263 or 800-228-3734
 www.famemaine.com

Economic Recovery Loan Program

To provide Maine businesses with gap and/or targeted financing. This program provides subordinate financing up to \$500,000 to help Maine businesses remain viable and/or improve productivity.

- **Intermediary Relending Program** provides eligible Maine businesses with gap and/or subordinate financing. This program provides subordinate financing up to \$150,000, up to 75% of a project cost.

Contact: **Finance Authority of Maine**
 207-623-3263 or 800-228-3734
 www.famemaine.com

Employment Tax Increment Financing (ETIF)

If your for-profit, non-retail, non-utility business is adding a minimum of five net* new Maine jobs within a two-year period, it may be eligible for Maine's Employment Tax Increment Financing. Under the ETIF program, businesses are reimbursed up to 80% of their new employees' Maine income tax withholdings for up to 10 years.

Contact: **Department of Economic and Community Development**
 207-624-9800
 www.econdevmaine.com

Energy Conservation Loan Program

Funded through the Efficiency Maine Trust for loans to improve energy efficiency in Maine workplaces. This program provides loans of up to 90% (up to \$35,000) at 1% interest rate.

Contact: **Finance Authority of Maine**

Maine Department of Agriculture

Agricultural Development Grant Fund To encourage efforts by farmers, aquaculturists and food processors to expand their markets, promote their products and test new technological processes. The benefit is a matching, competitive grant program.

Contact: Department of Agriculture
207-287-3491
www.maine.gov/agriculture

Agricultural Marketing Loan Fund provides loans to eligible businesses that employ new and innovative technologies/processes/enhancement of Maine – made agricultural products. This program provides up to 90% (if project is \$100,000 or less), up to 75% (if project is more than \$100,000), up to 45% if the project is related to production of potatoes. Maximum loan is \$250,000.

Contact: Finance Authority of Maine
207-623-3263 or 800-228-3734
www.famemaine.com

Linked Investment Program for Agriculture and Commercial Enterprises

Reduces the cost of borrowing to a company by offering lower rates through State Treasurer. It reduces a business borrower's interest rate via deposit of a CD by the State Treasurer's office at 2% less than the prevailing rate, thus providing a discount to borrower.

Contact: Finance Authority of Maine
207-623-3263 or 800-228-3734
www.famemaine.com

Maine Technology Institute (MTI)

Provides investments through a competitive award process to private companies and non-profit organizations that will increase the level and the pace of research and development in the state's technology sectors and create new jobs for Maine people. The benefits are investments up to \$500,000 that are awarded on a competitive basis several times a year. All MTI awards require a minimum 1:1 cash match, which can include some in-kind contributions to the project.

Contact: Maine Technology Institute
207-582-4790
www.mainetechnology.org

Regional Economic Development Revolving Loan Program

A revolving loan fund that provides businesses that have 50 or fewer employees or less than \$5 million in annual sales. The loan funds are intended to create or retain high-quality jobs. The loans may be subordinated to financing from other lenders. There are direct loans of up to \$250,000 from regional economic development agencies. Certain match requirements are required for loans in excess of \$50,000.

Contact: Finance Authority of Maine
207-623-3263 or 800-228-3734
www.famemaine.com

Small Business Administration (SBA) Programs

SBA programs provide loans for most sound business purposes, including working capital, machinery and equipment, furniture and fixtures, land and building, leasehold improvements, and debt refinancing.

Contact: Small Business Administration
207-622-8274
www.sba.gov/me

- **Basic 7(a) Loan Guarantee:** Provides an alternate source of financing to qualified small businesses when they might not be eligible for business loans through normal lending channels.
- **Certified Development Company (CDC) 504 Loan Program:** Provides long-term, fixed-rate financing to small businesses to acquire real estate, machinery, or equipment for expansion or modernization.
- **Microloan 7(m) Loan Program:** Provides short-term loans up to \$35,000 to small businesses and not-for-profit child care centers for working capital or the purchase of inventory and equipment.
- Small Business Administration: Loan Prequalification

Small Corporate Offering Registration (SCOR)

SCOR is intended to be a means by which a company needing capital may make a public offering of securities, without the often costly and time-consuming process of an SEC registration. The program's primary focus is reducing the cost of capital to small businesses. The program enables corporations and limited liability companies to raise up to \$1,000,000 in any 12-month period through the sales of securities to the public.

Contact: Department of Professional and Financial Regulation
207-624-8551
http://www.maine.gov/pfr/securities/small_business/scor.htm

Small Enterprise Growth Fund

The purpose of this fund is to contribute to the prosperity of Maine by investing in businesses that demonstrate a potential for high growth and public benefit. It provides up to \$500,000 in patient capital. Funds must be matched in cash. Investments from the fund may be structured as convertible debentures or direct purchases of preferred stock.

Contact: **Small Enterprise Growth Fund**
207-623-3263 or 800-228-3734
www.segmaine.com

Tax Exempt Bond (SMART-E)

SMART-E provides tax-exempt bond financing to manufacturers that may be used to purchase and/or construct a manufacturing facility, and/or purchase new machinery and equipment. Because these bonds are tax-exempt, borrowers are offered attractive interest rates. It offers tax-exempt bond financing up to \$7,000,000. Bonds may be structured to finance up to 90% of an eligible loan based on collateral value.

Contact: **Finance Authority of Maine**
207-623-3263 or 800-228-3734
www.famemaine.com

Taxable Bond (SMART)

SMART provides credit-enhanced taxable bond financing for the construction or acquisition of real estate and the purchase of new or existing machinery and equipment. The assets do not need to be related to manufacturing. There is taxable bond financing up to \$7,000,000..

Contact: **Finance Authority of Maine**
207-623-3263 or 800-228-3734
www.famemaine.com

Coastal Enterprises, Inc. (CEI)

CEI supports small businesses by financing projects and provided technical assistance. Financing is available for projects that address a human, community, or environmental need, whether through employment, wages and benefits, type or product or service, or location.

Contact: **Coastal Enterprises, Inc.**
207-882-7552
www.ceimaine.org

Kennebec Valley Council of Governments

To provide financing assistance for businesses locating or expanding in Gardiner. Loans have a fixed rate and are most used as a financing resource for gap financing.

Contact: KVCOG
207-453-4258 or 800-731-5019, ext. 13

TAX REIMBURSEMENT, CREDITS, & EXEMPTIONS

Business Equipment Tax Reimbursement/Exemption Program (BETR/BETE)

BETR and BETE provide tax relief to allow businesses to become established or expand.

BETR An annual reimbursement of all local taxes paid on qualified business personal property for up to 12 years.

BETE Tax exemption program for local taxes on qualified business personal property placed in service after 4/1/2007.

Contact: Maine Revenue Services
207-626-8475
www.maine.gov/revenue

High-Technology Investment Tax Credit

To promote investment in high-technology businesses. Provides businesses primarily engaged in high-tech activities a tax credit equal to the adjusted basis of eligible equipment placed in service in Maine less any lease payments received during the taxable year. The tax credit may not exceed \$100,000 in any one year and may not be used in tandem with BETR. Any unused credit amount may be carried forward up to five years.

Contact: Maine Revenue Services
207-626-8475
www.maine.gov/revenue

Historic Rehabilitation Credit

The credit is equal to the federal historic rehabilitation credit (IRC §47) claimed for the tax year, including any federal carry forward or carry back amounts. Limitations: the credit is limited to \$100,000 and cannot reduce tax to below zero.

Contact: Maine State Historical Commission

www.maine.gov/mhpc

Jobs and Investment Tax Credit

To allow any business, other than a public utility, that invests at least \$5 million in a taxable year in qualifying types of personal property and creates 100 new jobs in Maine within the ensuing two year period, a tax credit. It provides for a tax credit equal to 10% of the lesser of \$500,000 per year or to the tax otherwise due. Any unused credit amount may be carried forward up to six years.

Contact: **Maine Revenue Services**
 207-626-8475
 www.maine.gov/revenue

Maine Seed Capital Tax Credit Program

To encourage equity and near-equity investments in eligible Maine businesses, directly and through private venture capital fund sources. FAME may authorize state income tax credits to investors for up to 60% (high unemployment areas) or 40% (all other areas) of the cash equity they provide to eligible Maine businesses..

Contact: **Finance Authority of Maine**
 207-623-3263 or 800-228-3734
 www.famemaine.com

Research Expense Credit

To promote research and development by businesses in Maine. The program provides a 5% income tax credit to companies that incur qualifying research expenses in excess of their average research expenses. It also provides a 7.5% credit to companies that incur basic research payments to qualified organizations, educational institutions, and other research organizations.

Contact: **Maine Revenue Services**
 207-626-8475
 www.maine.gov/revenue

Super Credit for Substantially Increased Research and Development

Provides added incentive for businesses that qualify for the Research Expense Credit and whose qualified research expenses in Maine for the taxable year exceed 150% of their average research expenses for the three taxable years prior to September 1997. The credit is equal to the amount of qualified research

expenses for the taxable year that exceed 150% of that average research expense, and may not exceed 50% of the net tax due after the allowance of any other credits.

Contact: Maine Revenue Services
207-626-8475

Workplace Safety Education and Training Program – SafetyWorks!

SafetyWorks! is an outreach program of the Maine Department of Labor designed to assist businesses in eliminating job-related injuries, illnesses and deaths. SafetyWorks! is a voluntary program --- it is not OSHA and cannot issue citations or fines. SafetyWorks! services are available by request and free of charge. SafetyWorks! will provide workplace assistance by identifying hazards and finding ways to correct them, provide training to management and front-line staff on many different safety and health topics, conduct air or noise monitoring, lend safety-related videos and materials, answer safety and health questions over the phone, and help improve safety and health program(s). SafetyWorks! helps prevent work-related injuries, illnesses, and deaths and reduce related costs. Services are free and confidential and they do not issue fines or citations. SafetyWorks! helps businesses keep their workers safe and healthy. Businesses save 4-6

dollars for every dollar invested in safety. Voluntary program that provides free services to public and private industry upon request from the employer.
